Absolutely INCREDIBLE! We had the first ever "Cannoli box" and churros for Our Wedding and guests were amazed!! My husband is Mexican and I'm Italian; it was the PERFECT pair!!! The taste was GREAT of both desserts and it by far made our night even more special! Their team is so sweet and it is by far the best place to get your tasty treats for your special day. Don't hesitate, book their services, you won't regret it!! Best churros and cannolis I've ever had and TONS of flavors !! 😊 we cannot thank you all enough!

Alexis Powell

We had Oh My Churro at our wedding in March of 2025, and WOW—it was a total hit! From start to finish, the team was professional, friendly, and brought such a fun, festive vibe to our big day. The churros were hands-down the best I've ever had—crispy on the outside, soft and warm inside, and rolled in just the right amount of cinnamon sugar. They even offered rolled ice cream as the perfect touch!

Guests were raving about it all night, and honestly, we're still getting compliments weeks later! If you're looking to add something unique and delicious to your event, this is it. Thank you for making our wedding even sweeter—literally!

Elizabeth

Perfect wedding dessert! ❤️ My husband and I love churros and think wedding cakes are overrated and overpriced. We wanted something fun and different for our Tulum Beach wedding so Oh My Churros was the perfect fit! We loved every part of it, from their professionalism, to their cute little cart and their delicious churros freshly made for our guests to enjoy. 100% recommended!
